

Small Enough to Care, Big Enough to Deliver

We think this sums us up. We're here for you, whatever stage you and your business are at.

We await with baited breath to see what the Labour government is going to introduce by way of Capital Gains tax. This is the next progression on the Brightline test, along with the removal of residential tax losses being applied to other income. Change is afoot.

For those employing staff

Payroll changes with the minimum wage increasing to \$17.70/hour, payday reporting which increases administrative reporting to IRD within 2 days of a pay, new legislative leave - domestic violence leave, changes in employee breaks. It goes on.....

Please be aware of IRD scams – as well as others too....the perpetrators of these crimes are getting more sophisticated and are very convincing. If you are in any doubt or just want reassurance, please forward any emails to us, or if you get any phone calls from the “IRD” demanding payment that don't sound quite right please call us immediately and we will know if it is genuine.

We have some spare office space next door to us in Riccarton if you need a serviced office, or you know of anyone who may be requiring professional office space.

Our office in Rangiora that we launched 2 years ago is going well so if it works better for you to drop in there instead of coming to Riccarton, that's all good.

Our team, as always, are here to help you with your day to day operations including software assistance, more and more clients are opting for xero, which we encourage. Again talk to us first! You need assistance to collect your money from customers, we know who you should be talking to, ring us, they know what's going down out there, who owes \$ to whom, and who you should be putting the squeeze on now, before it's too late and you end up ranking as an unsecured creditor.

Did you know that using a mortgage broker doesn't cost you a cent? We use them all the time to get finance for our clients as they know how to get deals across the line and with whom. They can even get a better rate with your existing bank when your interest rate comes up for re-fixing. Note that break fees in relation to your rental property are tax deductible.

At www.ReesAccounting.co.nz/client-area are details of what information we need at 31 March 2019. Please have a look and take action as necessary. The earlier your information is in, the quicker it gets processed and you then know your tax commitments for the coming year.

We love all your referrals – please keep them coming. Do check out our website, we have had lots of great comments about it! If you want to come in and just have a coffee and some understanding ears to listen to you – you are always welcome. Or maybe you want us to come to you, just say the word. Take care out there!
